### Notes

- The Scout Group cannot accept responsibility for loss or damage to any personal effects and the Scout Association does not provide automatic insurance for such items. If Explorers do bring phones they will be asked to store them in the tent during the day.
- If your child requires medication while on camp please hand it in to a leader in a named container giving full details of medication required
- All equipment and clothing must be clearly marked with the owner's name; engraving or permanent ink are far better than nail varnish or stuck on labels.
- A £3 maximum of spends is recommended. Money may be handed to a designated leader for safety and will be given out as required. The Scout Group is otherwise not responsible for losses.
